

## QUALITY POLICY

“We at Alpha Design Technologies Private Limited are committed to providing design and manufacturing services for aerospace and defense products. We continually strive to improve the quality of our products, ensure on-time delivery, and enhance customer experience by meeting or exceeding their requirements and expectations.

ADTL is committed to reviewing the continued suitability of this policy and delivering quality solutions that enhance customer safety and security. We promote this commitment throughout our organization to become a world-class product and service provider, ensuring compliance with all requirements and continually maintaining the effectiveness of our Quality Management System (QMS).”
