

RoHS / REACH Declaration of Compliance

Company Name: Quantic UTC/Eulex

Address: 718 Monterey Pass Road, Monterey Park CA 91754, USA

Product Name(s): Discoidal Capacitors, MegaCaps, MLCC, Planar Arrays, Pulse Energy Capacitors, Radial Leaded Capacitors, Gap Capacitors, Binary Capacitors, Ultra High-Q Capacitors, Vertical Layer Capacitors, Safety Capacitors, SMPS capacitors (rated over 250VDC only)

Part Number(s): All part numbers within each product series, excluding some MIL-PRF-32535 items with part number beginning with M32535. SMPS capacitors with rated voltage <250VDC are not covered under this declaration.

RoHS Compliance

We hereby declare that the above-mentioned products are manufactured in compliance with the requirements of:

- Directive 2011/65/EU (RoHS II), as amended by Directive (EU) 2015/863, on the restriction of hazardous substances in electrical and electronic equipment.

The restricted substances listed below do not exceed the maximum concentration values (MCVs) in any homogeneous material, except where exemptions under Annex III of the Directive apply:

- Lead (Pb) – 0.1% (1000 ppm)
- Mercury (Hg) – 0.1% (1000 ppm)
- Cadmium (Cd) – 0.01% (100 ppm)
- Hexavalent Chromium (Cr⁶⁺) – 0.1% (1000 ppm)
- Polybrominated Biphenyls (PBB) – 0.1% (1000 ppm)
- Polybrominated Diphenyl Ethers (PBDE) – 0.1% (1000 ppm)
- Bis(2-ethylhexyl) phthalate (DEHP) – 0.1% (1000 ppm)
- Benzyl butyl phthalate (BBP) – 0.1% (1000 ppm)
- Dibutyl phthalate (DBP) – 0.1% (1000 ppm)
- Diisobutyl phthalate (DIBP) – 0.1% (1000 ppm)

Note on Exemptions:

Some capacitor types may contain lead (Pb), but always within the limits permitted by RoHS Annex III, Exemption 7c-III: Lead in dielectric ceramic in capacitors for a rated voltage of 125 V AC or 250 V DC or higher.

This exemption remains valid as of the date of this declaration.

REACH Compliance

We further declare that the above-mentioned product(s) comply with:

- Regulation (EC) No 1907/2006 (REACH), including the most recent update of the Candidate List of Substances of Very High Concern (SVHCs) published by the European Chemicals Agency (ECHA).

To the best of our knowledge, and based on supplier information and/or analytical data, the product(s) do not contain any SVHCs above the threshold of 0.1% by weight, except where specifically permitted under applicable legislation.

Statement of Due Diligence

This declaration is based on information from our material suppliers and internal manufacturing data. It is accurate to the best of our knowledge at the date of issuance.
